Mr Mark Williams  
Managing Director  
Grampians Wimmera Mallee Water  
PO Box 481  
HORSHAM VIC 3402

Dear Mr Williams

**Re: South West Loddon Water Supply Pipeline**

Loddon Shire Council recognises the significant value of the Grampians Wimmera Mallee Pipeline to our rural community, and supports its development.

In your letter dated 10 January, 2017 you advised of your intention to seek a Ministerial Amendment to the Loddon Planning Scheme to exempt the use and development of land, and native vegetation removal associated with the pipeline from planning approval, and you sought Council's support.

In accordance with your request, at the meeting of 24 January, 2017, Council resolved to *"support Grampians Wimmera Mallee Water's request for a Ministerial Amendment to exempt the use and development of a minor utility installation and the removal of native vegetation from local planning approval during the implementation of the South West Loddon Pipeline Project."*

Should you require any further information please contact Carolyn Stephenson on (03) 5494 1200.

Yours sincerely

Phil Pinyon

Dear Mark,

### **South West Loddon Water Supply Pipeline, Planning Scheme Amendment**

Thank you for your recent correspondence relating to the proposed South West Loddon Water Supply Pipeline, Planning Scheme Amendment.

Council wish to show its support for the State coordinated amendment as described in your correspondence dated 10 January 2017. Council believe that the amendment will facilitate a more streamlined approach to works, which will see the delivery of piped domestic and stock water supply to the northern section of Northern Grampians Shire.

Yours faithfully

JUSTINE KINGAN  
MANAGER ECONOMIC GROWTH
